

AYSA TECHNICAL and TACTICAL CERTIFICATIONS

AYSA TECHNICAL CERTIFICATIONS

Especially designed for new coaches working with U12 to U19 teams. The technical certification courses introduces the methodology of coaching on one of the components of soccer; technical. Basically it slices the technical portion of the E coaching certification course. This approach allows coaches with limited time to get excellent information on coaching technical skills.

Two (2) levels of certification are available; Tech 1 and Tech 2.

Tech 1 covers three (3) technical skills. These are: Dribbling, Passing, and Receiving
Tech 2 covers three (3) technical skills. These are: Heading, Finishing, and Goal Keeping

Each technical certification duration is about 4-5 hours.

AYSA TACTICAL CERTIFICATIONS

Especially designed for new coaches working with U12 to U19 teams. The tactical certification courses introduce the methodology of coaching on one of the components of soccer; tactical. Basically it slices the tactical portion of the E coaching certification course. This approach allows coaches with limited time to get excellent information on coaching tactical awareness and roles.

Two (2) levels of certification are available; Tact 1 and Tact 2.

Tact 1 covers defensive principles: roles of the 1st, 2nd, and 3rd defender
Tact 2 covers offensive principles: roles of the 1st, 2nd, and 3rd attacker

Each tactical certification duration is about 4-5 hours.
